

2021 DIESEL MOTOR COACH

DUTCH STAR

Paradise Always in Range

The 2021 Dutch Star diesel motor coach takes you to the back nine and back again in style. Safety is a priority starting with Comfort Drive™ steering technology, electronic stability control, tire pressure monitoring, and automatic traction control all equipped standard. Give that a bonus with available OnGuard™ collision mitigation technology with adaptive cruise control. Coming with thirteen unique floor plans, with 37', 40' and 43' coaches, and a choice between a Freightliner® and Spartan® chassis, the Dutch Star is easy to make yours.

Luxury in the Landscape 2021 Dutch Star

From the full-paint Masterpiece™ finish, an industry exclusive, to the stylish and functional details on every Dutch Star, the beauty is apparent. Safety is always a consideration, so you'll find a keyless entry door with a touch pad and doorbell. Large storage spaces—with upgradeable pass-through storage trays—mean you're not leaving behind your favorite nine iron, or any other necessities.

Wylie full-paint Masterpiece™ finish

A Lovely Drive

The cockpit of the Dutch Star puts you in the lap of luxury, with six-way power captain's chairs, covered in Ultrafabric®, offering power lumbar, recliner, and footrests—and standard heated seats. When you're on the road, side-view cameras show the world around you on the rearview monitor screen, or you can choose the 360-degree camera system. The optional Rand McNally navigation system gives you a clear look at where you're going, while the JBL audio system keeps you entertained while you're getting there.

Greener Pastures

The living room of the Dutch Star comes with configurations that are designed to best fit your lifestyle. Choose dual recliners and a Dormi sofa, or other configurations. Whichever you choose, it's perfect for enjoying the retractable Samsung® 50" 4K LED TV with Sony® Blu-ray player and Bose® Solo 5 soundbar. Stay cozy in cooler weather with optional floor tile radiant heat and stay cool under the sun's rays with Penguin™ heat pump air conditioners. Rear-bath floor plans offer cathedral ceilings to give you more space above, and optional Wi-Fi connectivity is there to keep you connected.

Clubhouse Cooking

The kitchen of the Dutch Star features all of the amenities you'd want for a meal after a day on the links—or anywhere else. High-gloss hardwood cabinetry with soft-close drawers and super-polished solid surface countertops offer a clean look. For cooking, a Whirlpool® refrigerator, stainless steel microwave, and three-burner cooktop are standard. If you're feeling gourmet, you can choose a dishwasher and portable induction cooktop as options. An optional window allows more natural light, while the pantry and appliance garage keep the kitchen space neat and tidy.

Relax and Restoration

The plush appointments of the Dutch Star bedroom are focused around the comfortable pillow top mattress—available in queen or king size depending on the floor plan—with the option to upgrade to a Sleep Number® mattress. A six-drawer dresser and two large hanging wardrobes sit opposite. Between the wardrobes you'll see a Samsung® LED TV with a Sony® Blu-ray player, so you can drift off to your favorite shows or movies.

The Beauty of Privacy

Several shower options welcome you depending on your floor plan, including a spacious 50" x 34" version with a fold-down seat, glass door, and Aqua Miser® shower system. In the vanity, his-and-hers sinks offer plenty of space for getting ready, while a multitude of storage options leave space for everything else. An optional two-piece washer and dryer save on trips to the laundromat. And many Dutch Star models also feature a mid-ship bathroom—perfect for you and guests alike.

Easy Roaming

Dutch Star 4311 offers all of the luxurious elements you expect from a Newmar coach, while also being fully accessible. It starts with standards like a power-adjustable kitchen table, roll-in shower, lowered switches and appliances, and widened aiseways. It goes further with full-tile slideouts, furniture covered in Ultrafabric[®], an electric fireplace beneath a retractable Samsung[®] 4K TV, and available Fisher & Paykel[®] dishwasher. On top of this, the new optional Aire Chair, an electric chair lift at the entry door, is available on all Dutch Star floor plans.

Exterior Entertainment

The exterior of the Dutch Star offers just as much luxury as the interior. With a Girard® G2000 power side awning—and the option to either add a door-side awning or upgrade to a complete Nova awning package—there's plenty of shady space to enjoy. A keyless entry door, with touch pad and doorbell, offers peace of mind. A Dometic® freezer on a pull-out tray is an available option, while an optional outdoor entertainment center upgrades your outdoors with a Samsung® 43" 4K LED TV and soundbar. It's all made possible thanks to a standard Cummins Onan® diesel generator.
