

2016 AMERICAN EAGLE

2016 AMERICAN EAGLE

DRIVING YOUR PASSION

THE ALL NEW  
2016 AMERICAN EAGLE

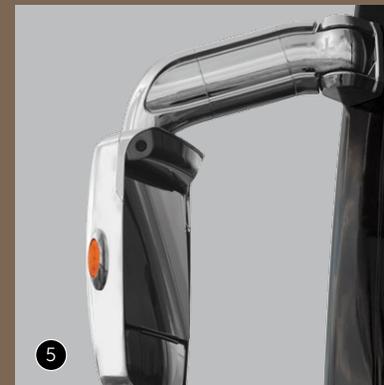

THE EMBODIMENT OF LUXURY

HAND-CRAFTED LUXURY AND INNOVATION  
LIKE YOU'VE NEVER SEEN BEFORE

A fusion of bespoke elegance and progressive design, the 2016 American Eagle sets a new standard in luxury that is nothing short of magnificent. The evolutionary exterior design features a dramatic, artistic style complemented by a full-body, high-gloss finish. Modern design meets impeccable quality to inspire every adventure.

## EXTERIOR DESIGN & TECHNOLOGY

- 1) - Modern front fascia design with chrome grille, light bezels, and prominent signature American Coach badge shaped into windshield  
- Automotive windshield bonded to steel super structure & fiberglass
- 2) Exterior sidewall TV (Sony® 48" LED HDTV & Sony AM/FM/CD/DVD)
- 3) Quad-zone LED cluster headlamps

- 6) Solid-surface entry-step with LED accent lights, power cover, grass cloth inserts & storage

THE ROAD NEVER LOOKED SO GOOD

ENDLESS POSSIBILITIES.  
BOUNDLESS LUXURY.

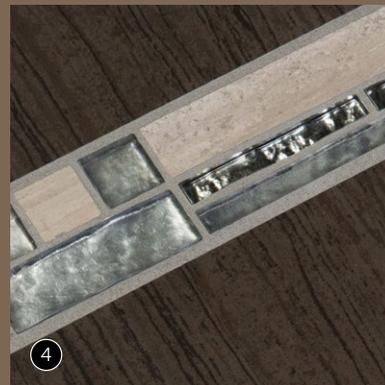

BEAUTY THAT MOVES YOU

## A WARM EMBRACE OF SOPHISTICATION

### LIVING ROOM DESIGN & TECHNOLOGY

To create a distinctive environment that exudes pure refinement, it takes a precise attention to every detail. The 2016 American Eagle has been carefully handcrafted with premium components like solid radius hardwood cabinetry and polished porcelain tile to surround its occupants with beauty and comfort.

- 1) Oversize high-back sofa with adjustable headrest
- 2) Front TV overhead cabinetry in radius hardwood
- 3) Power privacy blinds & linen shades
- 4) Polished porcelain tile with room border & decorative glass and stone inserts
- 5) Hardwood ceiling plenums with integrated HVAC
- 6) Solid radius hardwood cabinetry with full insert door design

- 7) Sony 48" LED HDTV
- 8) Total Coach Control System with iPad® controller for lights, blinds & A/V
- 9) Pop-up 110V and USB outlets at dinette, galley & living area
- 10) Ambient/in-direct lighting; floor & toe-kick accent lighting

## THE BEST SEAT IN THE HOUSE

Command central is a purposeful, ergonomically designed cockpit that matches the luxury and premium materials found throughout the interior of the 2016 American Eagle. From the comfort of the power driver and passenger seats to the beauty of the French-seam stitched leather dash cover, the cockpit features a modern aesthetic that pleases the eye at every glance.

## COCKPIT DESIGN

- 1) Ergo dash designed driver cockpit with backlit control switches
- 2) - Villa® 8-way power driver and passenger seat with massage, power lumbar & adjustable arms
  - Optional heated and cooled driver/passenger captain's chairs
  - Power memory driver seat

- 3) French-seam stitched leather dash cover & matte finish teak veneer dash inlay
- 4) Power driver window
- 5) Power tilt and telescope steering wheel with cluster controls

# TECHNOLOGY ELEVATED TO AN ART FORM

## COCKPIT TECHNOLOGY

Large, dual display monitors, digital LCD cluster with integrated Chassis Monitoring System and iPad® integration are just a few of the advanced innovations that make driving the 2016 American Eagle an even greater pleasure. The latest, most advanced technology is but a tap away.

- 1) Dual 10" Xite Display touch-screen monitors with GPS navigation & Sirius Satellite Radio, cameras, systems and monitoring
- 2) iPad in-dash integration with power & storage behind iPad

- 7) Bluetooth connectivity

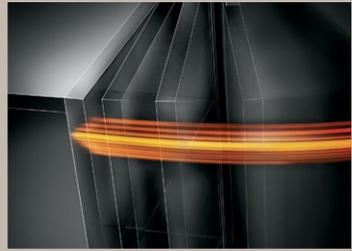

# ONLY THE FINEST INGREDIENTS

## GALLEY DESIGN & TECHNOLOGY

A culinary creation is only as good as the ingredients used in making it. To create an utterly splendid galley in the 2016 American Eagle, we used only the finest ingredients, including solid-surface radius countertops and dovetail solid maple drawer construction. Everything needed for the next irresistible culinary masterpiece.

- 1) - Solid-surface countertop with modern pencil edge treatment
  - Apron-front stainless steel sink with solid-surface covers
  - Hidden task lighting
- 2) Pull-out extension with industry-exclusive flush-top design & power lock
- 3) Chrome high-rise faucet with sprayer

- 4) Soft-close locking door hinges with BLUMOTION Soft-Close Action
- 5) Flush-mounted electric 2-burner induction cooktop
- 6) - Soft-close locking drawer guides
  - Dovetail solid maple drawer construction
- 7) Pull-out pantry-style cabinet

## WHAT DREAMS ARE MADE OF

Awaken the dream of what can be and make it reality. The 2016 American Eagle does precisely that by surrounding the bedroom with a lush design, amenities that provide supremely restful nights and welcomed respite.

## BEDROOM DESIGN & TECHNOLOGY

- 1) Handcrafted hardwood sculpted headboard
- 2) TV hinged with storage, A/V components & electronic First Alert® hidden safe
- 3) Frosted glass 5-panel privacy doors

- 4) Exclusive Serenity Max Series with adjustable his & her section and head & foot massage component included

- 3) Reliable, vibration-resistant, aerospace-grade huck bolt fasteners
- 4) E-coated bridge for maximum durability and corrosion-resistance
- 5) Undercoated under-body components for ultimate protection
- 6) One-panel service center providing easy access to filters and other components
- 7) Most rigorous durability testing in the industry

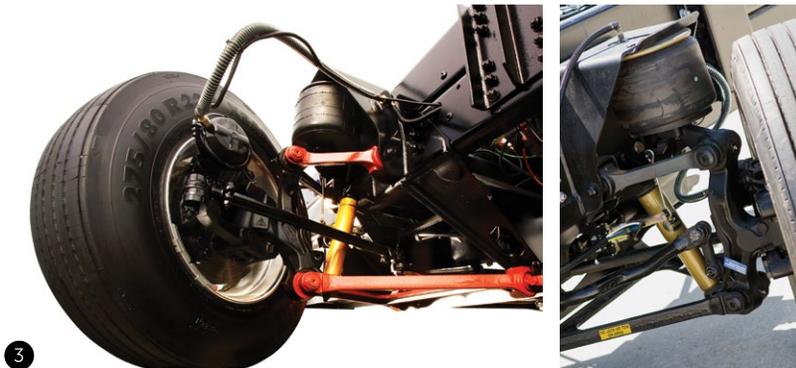

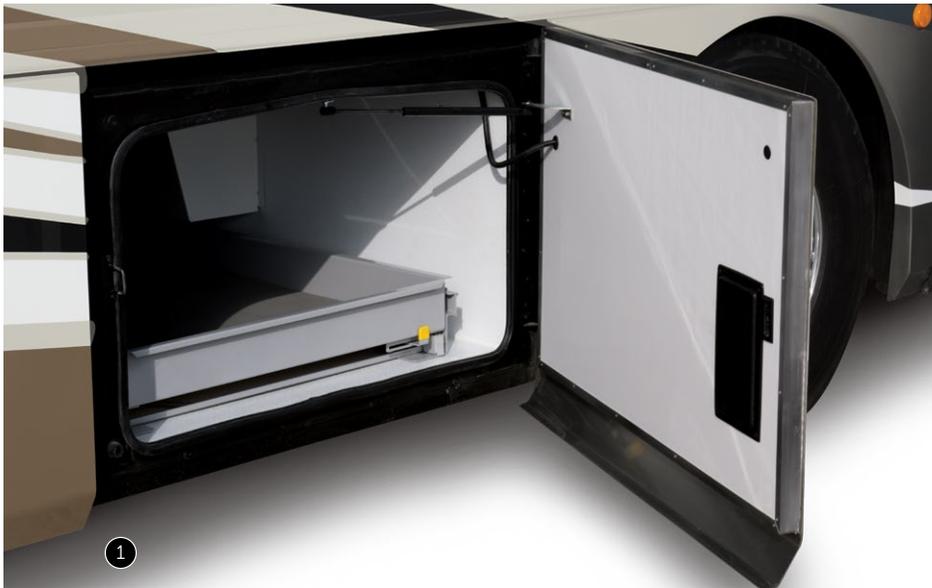

## RIDING ON CONFIDENCE

An exceptionally built motorcoach should ride on an equally exceptional foundation. The Liberty Chassis features a V-Ride™ rear/drive axle for increased sway control and better handling. Freightliner Custom Chassis incorporated the UltraSteer I-Series independent tag-axe suspension and passive steering on the chassis for a better turning radius and maneuverability. Strength and power for confident command of the road ahead.

## CHASSIS DESIGN & TECHNOLOGY

- 1) Convenient, spacious pass-through basement storage compartments
- 2) Independent tag-axle suspension with passive steering
- 3) ZF double wishbone INDEPENDENT FRONT SUSPENSION and PREMIUM SACHS® SHOCKS. Featuring a 60-degree wheel radius for unmatched ride and handling and premium Sachs shocks to heighten comfort and increase driving safety, security and protection backed by the dependability of the ZF name.

**IMPORTANT — PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at [www.AmericanCoach.com](http://www.AmericanCoach.com) or contact your local American Coach dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. American Coach has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorcoach. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity\*
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- GCWR (Gross Combined Weight Rating) is the value specified by the motorcoach manufacturer as the maximum allowable loaded weight of this motorcoach with its towed vehicle. Towing and braking capacities may be different. Refer to American Coach and chassis manufacturer's manuals for complete information.
- Length measured from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motorcoaches feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.  
N/A = Not Applicable

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

†† The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1,000 lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.

\* UVW and OCCC are found on the label containing the federal certification tag in each RV.

\*\* All 2016 American Coach motorcoaches include a 1-year American Coach Premier Roadside Assistance membership. For complete info, see your American Coach dealer.
